229 Avenue D, N.E.
Winter Haven, Florida 33880

Dear Mr. Guthrie:

This letter is a request for your agency to conduct a radiological survey of the American Cyanamid Company property northeast of Lakeland, Florida in accordance with your November 16, 1981 proposal to Florida Land Design & Engineering, Inc. Further, this letter is authorization for Department staff members to enter onto the subject property for the purpose of performing the tests.

I have requested that Mr. David K. Maltby, of Florida Land Design and Engineering, Inc. work with you in identifying the site, determining the extent of the program and providing access to the site. He will be contacting you in the immediate future.

A check for \$650 covering the cost of the survey is enclosed.

We appreciate your cooperation in undertaking this project.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Gordon A. Pott'.
